

REMARKS AND INTERVIEW SUMMARY

On or about June 17, 2010 Applicant's representative discussed with Examiner Wax the Ex Parte Quayle action issued in this matter in light of the restriction requirement of Feb. 14, 2008. Applicant's representative was informed that the action would be withdrawn within the next few weeks in light of the terms of the restriction requirement and the remaining withdrawn claims examined.

On Aug. 26, 2010, Applicant's representative spoke with Examiner Carlos Azpuru who indicated that the application was in condition for allowance of all claims. Examiner Azpuru noted that the specification had been presented without a "Brief Description of the Drawings" section, and requested an amendment correcting this. This amendment is filed in response.

Support for the above amendment can be found throughout the specification and drawings as filed, for example at page 15 paragraphs 4 and 5. No new matter is added.

CONCLUSION

Applicants respectfully submit that the claims are in condition for allowance. Should any issues remain after consideration of the above, the Examiner is requested to contact the undersigned at 858-228-7829 prior to the issuance of a subsequent action.

Respectfully submitted,

/David W. Maher/
